WINEMAKING

Harvest period starting from mid-August to the first ten days of September. Partial maceration at low temperature followed by temperature-controlled fermentation. 4 months of ageing in stainless steel.

TASTING NOTES

Purple red in color, with a very intense aroma marked by notes of ripe red fruit and black cherry, accompanied by hints of clove and pink pepper. The palate is fresh, intense, sapid, and pleasantly tannic.

FOOD PAIRING

Ideally paired with grilled meat, especially short ribs or lamb chops, but also pairs surprisingly well with ragu pasta casserole. A must try paired with aged cheese or Parma ham with dates. Serve at 18°–19°C.
