Tuscany, Italy

VARIETAL COMPOSITION

Sangiovese 100% (prugnolo gentile)

WINEMAKING

The grapes are carefully selected from the Santa Caterina vineyard and vinified to express the distinctive character of the Sangiovese. After fermentation and gentle maceration on the skins, the wine ages in 60/70-hl barrels for 12 months, followed by 6 years of bottle maturation.

TASTING NOTES

An intense ruby-red colour with purplish glints. The nose is an explosion of red fruit – cherries in liqueur, redcurrants, blackberries, myrtle orange and myrtle – paving the way for a plush, sweet palate. The finish is long and captivating.

FOOD PAIRING

Pairs wonderfully with meat stews, chargrilled red meat and mature cheese. Serve at 16–18°C.
